Mr.

COO International Américas
Your office

Dear Mr. Crook:

It is my pleasure to address myself to you with the main purpose of expressing to you our gratitude in name of the Honduran people and Government, for making possible the arrival of important medication to my country.

I am aware that because of your great effort, the 746 kits of refractor ® VIII for hemophilic patients, transported for free by DHL, made it in time for more than 200 Honduran patients, that anxiously waited for more than a month, due to the lack of it in Honduras.

I deeply thank DHL for their constant support to this Dispatch, especially this alliance with Operation Blessing International in order to achieve this goal.

Always with my deepest samples of appreciation and consideration.

Xiomara Castro de Zelaya
First Lady of Honduras
